## Course Policies:

Students are responsible for keeping current with daily assignments. Home work problems will not be collected but are expected to be completed. The first part of each class will devoted to answering questions from the previous day's assignment.

Tests are to be taken on the day scheduled, unless other arrangements are made prior to the exam. There are five exams. Exams are open book, open note. Each exam is worth 40 points. The final exam will be just a standard hour exam covering the last chapter of material. The students final grade will be the total of all exam scores based on the following schedule:

180 - 200	A	160 - 179	B	140 - 159	C	120 - 139	D	Below 119	F
-----------	---	-----------	---	-----------	---	-----------	---	-----------	---

Additional help is available in the Learning Center, Building 6.
