## Home Of Miss

Hi my name is Kanha I come from Cambodia. Located in Southeast Asia, on the Indochinese peninsula. It is bordered on the north west by Thailand, on the Indochinese peninsula. It is southeast by Vietnam. To the southwest is the gulf of Thailand. My country has two seasons, dry seasons and rainy season. I would like to tell you about my lovely home in Cambodia. I lived in Phonm Phen. That is the capital of Cambodia. My house is near to the market so it was easy for me and my family to get some fresh food. I like all the spicy food so my mom liked to made it for me all the time but sometime I try to do it myself. It did not taste good but it was fun. My family like to make Khmer Noodle the soup with fish or chicken beef and pork. I always rode my bicycle to school. We have a lot of place to visit in my country like Angkor Wat is the most beautiful place for all foreigner all around the world. My most favorite place was my grandma's house in Kampot Province. I always went there when I had no school. It was fun and you know the fresh air around my grandma's house was make me feel so good, right now I live in the U.S.A I still miss my homeland and my grandma but I feel like everything go along everyday make me feel warm and joy with my family here. I Love My Grandma So Much.
