MY HOME

My name is Nisveta.I'm from Bosnia,city Sarajevo.

Sarajevo is the Capital city in Bosnia and Herzegovina.

My city is a big place.Sarajevo is an Olimpic city.

It is a beautiful place in the Spring time.I went on the big mountain Jahorina.

There lived wild animals and very interesting plants.

There lived rabbits, bears, deers, wolfs.

The region is different when it is fall.I went to ski in January.

My city has a beatiful river ,Miljacka.My favorite food is PITA.

It is delicious and smells very good.Sometimes,I made PITA in my home

In the US,but mothers' PITA is better than my PITA.

My city misses me,especially in August,because it is time for Sarajevo movie festival.

I watched movies in big screen and introduced film stars.
