Benefits and Resources

Students planning on attending a four-year college/university may find it beneficial to take advantage of their earned DMACC credits through high school and complete their AA Degree at DMACC. DMACC has an array of partnership programs with Iowa State University, University of Iowa, University of Northern Iowa, Grand View University, and Simpson College. Plus over 925 colleges and Universities accept transfer credits from DMACC. Students who have earned the DMACC Associate in Arts degree transfer in as a junior status. Since requirements vary at institutions, students should become familiar with the specific course requirements of the four-year institution to which they plan to transfer.
