

Dear Student:

Your original Free Application for Federal Student Aid (FAFSA) for 2018-2019 was not completely processed by the Federal Processor due to missing signatures. You and/or your parent will need to sign your FAFSA before further processing of your financial aid application will take place.

A student may decide to print off a copy of the [FAFSA](#) signature page to sign and submit. The student and/or their parent can also sign electronically with an FSA ID.

1. Visit fafsa.gov
2. Click on "Login" and follow login prompts.
3. Click "Provide Signatures".
4. Follow instructions provided to either sign the FAFSA with an FSA ID or print a signature page.

If you choose to "Print a Signature Page":

After printing and signing, mail the page to the federal address listed below.

Mail the page to:
