

Donor Recognition Opportunities

DMACC invites you to invest in the Automotive Technology Center Project. As an investor, you can name a designated area of the facility. The available areas offer highly visible recognition. With your investment, DMACC will be able to provide the highest level of skilled students to Central Iowa employers. Please join us in creating a facility for the future.

NAMING AREA	GIFT RANGE	AVAILABLE
Building	\$1,000,000 +	Secured
