

Operational Intern/General Laborer

Guthrie Center, IA

Job Description

WHO WE ARE

Helena Agri-Enterprises, LLC is a leading full-service agronomic solutions provider that's been in business since 1957. Our first location was in West Helena, Arkansas hence the name "Helena". We now have close to 450+ locations nationwide and over 6,000 employees. Our corporate office is located in Collierville, Tennessee, a suburb outside of Memphis. Year after year we rank at the top nationally for volume and sales in our industry. There are many facets to our company including product development, sales, operations, precision technology and manufacturing just to name a few.

ABOUT THE JOB

The General Laborer is responsible for performing hands-on tasks at the location to keep it organized and operating smoothly.

WHAT YOUR DAY WILL LOOK LIKE

- Moves products within the facility.
- Crop Scouting-weed, disease, insect identification
- Tissue Sampling/Soil Sampling
- Assists the Blender Operator in loading bulk trucks.
- Stacking products on pallets.
- Product Delivery
- Provides general assistance in repair maintenance.
- Performs cleaning duties such as sweeping and washing surfaces.
- May be required to operate a company vehicle.
- Provides excellent customer service to all internal and external customers.
- Other work-related duties as assigned by leader.
- Reliable and regular attendance is required.
- Follows all company policies and procedures.

SKILLS & QUALIFICATIONS

- Ability to operate a forklift is preferred.
- Ability to read, write and speak in English is required
- Communicating in Spanish is a valuable skill at Helena.
- Valid US driver's license is required to drive a company vehicle. Applicants for positions requiring operation of a moving vehicle or interaction with heavy equipment must meet legal age requirement.
- Successful completion of a drug test and background check is required for all positions at Helena.

WORK ENVIRONMENT AND PHYSICAL ASPECTS OF THE JOB

At Helena, safety is our highest priority. We seek out extensive safety measures and put them in place to minimize exposure to anything that could be potentially harmful to our employees.

The work environment for this position is a warehouse/outdoor environment where the noise level is usually moderate to loud and occasionally very loud. In this position, you will work outdoors in all types of weather conditions with exposure to outdoor elements. When working in the warehouse, you will regularly work around moving equipment/mechanical parts and could be exposed to fumes, airborne particles, chemical and biological hazards, vibrations and a risk of electrical shock.

This position requires you to use your hands for many different tasks and to talk, hear, walk, sit, stand (8 hours a day or more), lifting, carrying, pushing or pulling (up to and including 50lbs or more), reaching overhead (up to and including 25lbs), climbing, gripping, grasping and twisting using hands and wrists, bending and stooping for long periods of time, working below knee levels for short periods of time and working above shoulder level for short periods.
