

## **Mortuary Science-Funeral Services by State**

### **Mortuary Science Advanced Standing Diploma\*:**

- Iowa
- Minnesota
- North Dakota
- New Jersey
- Pennsylvania
- West Virginia

\*Since a Human Anatomy course is required within Mortuary Science, it does not count toward the one Core General Education Math or Science course needed for entry.

\*Mortuary Science (MOR) courses do not count toward the 60 credits needed for entry.

\*The 60 credits needed for entry is a change effective for the 2026-27 school year. Previously, the requirement was 64 credits.

### **Discuss state licensing with Advisor or Program Chair:**

- Michigan
- Nebraska
- South Dakota
- Ohio

### **Funeral Services AAS - All other states.**
