³ Caution, children under five should not be served nuts or seeds. Older children may have up to 1 ounce of nuts or seeds at any one meal.

⁴ The minimum quantities listed must be served. Children may be served larger portions based on their individual food needs. Programs serving migrant children may claim meals through age 15 and At Risk Afterschool Snack Program and homeless shelter participants may be served through age 18.

⁵ Milk must be skim or 1%, flavored or unflavored, when served to participants over age two. Whole milk is recommended for children between one and two years of age.
