**DMACC Mortuary Science Student Professional Activities**

As part of Funeral Home-based option of the Des Moines Area Community College Mortuary Science Program, each student must complete the following activities:

- Assist with at least 20 embalming cases
- Assist with the cosmetic application of at least 5 deceased human remains
- Observe or assist with at least 5 funerals or memorial services
- Assist with at least 3 transfers of remains
- Observe or assist with a cremation

All of the activities above must be accomplished in the physical presence of a licensed Funeral Director / Embalmer.

Please answer each of the following questions based upon the laws and rules of your state:

**Can a student in an accredited Mortuary Science program assist a funeral director / embalmer with an embalming at a licensed funeral establishment in your state?**

- Yes
- No

**Can a student in an accredited Mortuary Science program assist a funeral director / embalmer with a transfer of human remains at a licensed funeral establishment in your state?**

- Yes
- No

**Can a student in an accredited Mortuary Science program observe or assist a funeral professional with a cremation at a cremation establishment in your state?**

- Yes
- No

Yes

No

Is passage of a State Board Examination required for licensure in your state?

Yes

No

**Are the state laws and rules for your state available online? If so, at what web address?**

\*

**In addition to an ABFSE-accredited Mortuary Science program, what education is required for students to become licensed as a Funeral Director / Embalmer in your state?**

\*

**Are there any other state law limitations, processes or information with which we should be familiar in order to better serve the students in your state?**

\* We are a dual-license state. Students wishing to be licensed as funeral director only (no embalming) must complete a shorter mortuary science program; they do not have to fulfill the embalming portion of traineeship but the other parameters still apply (2,000 hrs, etc). All licensees must take & pass NC Laws & Rules. FD candidates do not need to pass NBE, may take NC Arts and Pathology exams to qualify as funeral director. Funeral Service applicants (directing and embalming) may take NC Arts and NC Sciences in lieu of NBE.
