Nursing Program Admissions Test (ATI TEAS)
Fact Sheet for Students

All students are required to achieve an “Adjusted Individual Total Score” of 60% or greater in order to be accepted into the ADN program OR 41.3% or greater in order to be admitted into the PN program. All four sections of the ATI TEAS (Reading, Mathematics, English & Language Usage, and Science) must be included in the Adjusted Individual Total Score. - **Interpreting your scores**
  - On page 1 of your Individual Performance Profile you will see your Adjusted Individual Total Score expressed as a percent. You will also see separate percentages for each of the four content areas.
  - See page 2 of your report for a list of Topics to Review. Refer to the Table of Contents in the Study Manual for the ATI TEAS to locate and review information in the areas you missed and find direct references of where to go in the Study Guide to remediate.
  - See page 3 of your report for further explanation of scores.

When can I re-test?
- You may re-test after a 30 day remediation period and when there is a seat available on a scheduled testing date. Cost to re-test is $58 ($65 as of July 1, 2019.)

How do I prepare to re-test?
- Refer to your Individual Performance Profile page 2, Topics to Review for guidance on what to review in the Study Manual for the ATI TEAS.
- You may also purchase online ATI TEAS practice tests at www.atitesting.com
- For additional assistance, contact an Academic Achievement Center

Do I have to retake all four sections if I do not meet the required adjusted individual total score?
- Yes, you must retake all four sections in order to properly generate a new total score.

How many times can I attempt the ATI TEAS?
- Students may test no more than three times at DMACC.
- Students who are unsuccessful after the maximum number of attempts at DMACC will be ineligible for admission into DMACC’s Nursing program.

Will DMACC accept TEAS scores taken at another location?
- Provide DMACC Admissions with a copy of your Individual Performance Profile from the other location. Admissions will then verify that your scores satisfy the entry requirement for DMACC Nursing.
