

Photography Program Information Sessions Ankeny Campus

There are no additional group Photo Information Sessions scheduled before the beginning of the Spring term. If you wish to start the Photography program in Spring 2019 and need an Info Session for admission to the program, please schedule an individual appointment with Jeremy Austin, Program Advisor.

To do so, please use www.calendly.com/jcaustin.

Info Sessions will not be completed on a walk-in basis so you will need to schedule an appointment to be completed by January 7th to potentially start in Spring 2019, depending on seats available in Photo content.

For those planning to start in Summer or Fall 2019, please wait for a new set of Info Session dates which will be posted at the beginning of the Spring term.
