The Dorothy A. Wyant Elementary Education STEM Certificate Scholars Program supports Pre-Education students who pursue the DMACC STEM certificate.

Through a gift from the estate of Dorothy Wyant, students are eligible for reimbursement of STEM classes who:

- ▶ Enrolled in Education (EDU) courses at DMACC.
- ▶ Completed nine education credit hours (EDU 213, EDU 245) and one other education-related course) at DMACC.
- ▶ Plan to pursue the STEM Certificate by completing 10 additional courses in math or sciences and attend two STEM seminars.
- ▶ Have a GPA of 2.5 or better.

PRE-EDUCATION

DMACC's Liberal Arts Associate of Arts and Associate of Science degrees provide the flexibility and opportunity to get a solid start on your four-year degree in Education while earning an associate degree.

To become a teacher, a student must graduate from an accredited teacher training institution. Students attend DMACC and then transfer to a public or private college to complete a teacher education program.
