TSA: Intro to Homeland Security Previous Course | Next Course

CRN: 33204 Date: 08/17/2017 - 08/23/2017 Time:	Location: Internet class Room: Days:	Course/Section: D TSA501 300 Instructor: Not-Applicable * Contact Hrs: 0 hours
--	--	--

Course Description:
The course is an examination of the role government and, more specifically, first responders play in the current threat to our nation from terrorism. The course will examine the role, authority, and history of the government when faced with these threats. The structure, style, and current practices will be covered along with an attempt to discover best practices and cost effective solutions. Please note: This course is open to current TSA employees only. Registration is not complete until DMACC has required student FERPA documentation on file.
